2024 KFB Priority Issues:

"Maintain allocating 50% of the Master Settlement Agreement funds to the Agricultural Development Board, and funds be spent for the purpose of improving the net farm income of individual farmers in production agriculture."

"Support continued funding of the Soil Erosion and Water Quality Cost-Share Program."

"Support an efficient, well-administered and adequately financed Kentucky Department of Agriculture."

KFB Policy:

"We support the national 988 suicide hotline for farmers and agricultural workers, and encourage Kentucky Farm Bureau to promote its availability."

"We recommend the KDA Office of the State Veterinarian have adequate amount of funding for the Division of Emergency Management for trained subject matter experts for prompt disease response."

"In an effort to address the shortage of large and food animal veterinary services in Kentucky, we support: maintaining funding for existing slots while seeking additional slots for Kentucky students at established veterinary schools."

Some Bills of Interest:

[HB 1: J. Petrie – AN ACT relating to government agencies, making an appropriation therefor, and declaring an emergency.](#)

This bill will appropriate General Fund moneys from the Budget Reserve Trust Fund Account in fiscal years 2023-2024, 2024-2025, and 2025-2026 to the following: Kentucky Infrastructure Authority for drinking water and wastewater infrastructure grants; Department for Local Government to provide matching funds under the Government Resources Accelerating Needed Transformation Program; Kentucky Public Pensions Authority to be applied to the unfunded liability of the State Police Retirement Systems and the Kentucky Employees Retirement System Nonhazardous pension funds; Teachers' Retirement System to be applied to the unfunded actuarially accrued liability; Cabinet for Economic Development to support the KEDFA loan pool and development projects; Department of Kentucky State Police for lab equipment; **Transportation Cabinet to improve public riverports**, to implement the Short Line Infrastructure Preservation and Industrial Access and Safety Improvement pilot projects, and support grants to each General Aviation airport.

- \$3,500,000 in FY24 and \$15,000,000 in FY25 to the Kentucky Transportation Cabinet to improve public river ports within Kentucky.

This bill has been assigned to the House Appropriations and Revenue Committee.

2024 KFB Priority Issue:

"Support increased funding for Kentucky riverports to upgrade their agricultural infrastructure."

[HB 217: D. Hale - AN ACT relating to hunting and fishing licenses and declaring an emergency.](#)

This bill will remove the requirement that resident owners of farmlands must own five or more acres of land in order to be exempt from sport hunting and sport fishing license requirements when hunting or fishing on their own farmlands. The bill passed the House [93-0](#) and has been assigned to the Senate Natural Resources and Energy Committee.

[SB 5: G. Williams – AN ACT relating to hunting and fishing licenses and declaring an emergency.](#)

This bill will remove the requirement that resident owners of farmlands must own five or more acres of land in order to be exempt from sport hunting and sport fishing license requirements when hunting or fishing on their own farmlands. The bill passed the Senate [36-0](#) and is in the House awaiting action.

KFB Policy:

"We oppose a minimum acreage standard below which landowners must obtain a hunting or fishing license for lawful activities on their own property."

SB 107: J. Higdon – AN ACT relating to transportation and making an appropriation therefor.

This bill will direct \$30 of the registration fee for vehicles in excess of 44,000 pounds to the county clerk of the county in which the truck is registered and set registration fees for vehicles in excess of 44,000 pounds. This bill will prohibit the operation of a truck tractor, trailer, or semitrailer in the far left lane of any roadway that has been divided into three or more clearly marked lanes for travel. This bill will also require towing companies to submit their rate schedules to the nearest Department of Kentucky State Police (KSP) post in addition to making them available to the public upon request, and direct the KSP to remove companies that do not comply with these requirements from the KSP wrecker log for a period of six months for the first violation and one year for any subsequent violation. This bill will provide a weight limit allowance of 400 pounds for any vehicle with an auxiliary power unit. This bill will also increase the limit that subscription fire departments may charge for accident response from \$500 to \$1,000. This bill will remove certain fees from statute, but require the Transportation Cabinet to promulgate administrative regulations to set fees for overweight and over-dimensional permits. This bill will direct the state portion of vehicle property taxes on electric vehicles and hybrid vehicles to the road fund. Lastly, this bill will require the KSP to include information about the organ donor program in educational materials for driver training. This bill was amended in the Senate Committee to require towing companies to submit their rate schedules to all local law enforcement agencies in the company's service area and direct local law enforcement agencies to remove companies that do not comply with these requirements from their wrecker log for a period of six months for the first violation and one year for any subsequent violation. The amended bill also will limit the fee that the Transportation Cabinet may set for over-dimensional permits to transport farm equipment. The bill will also add a new section to amend KRS 281.990 to allow the Transportation Cabinet to promulgate administrative regulations to set penalties for violations of certain transportation laws. The bill passed the Senate Transportation Committee and is now headed to the full Senate for their consideration.

KFB Policy:

"We support creation of a fair and equitable use-based tax for electric vehicles, proceeds for which shall be used for the Kentucky road fund."

REMINDER:

This year we will again combine our **Legislative Drive-In Day** with our annual **Food Check-Out Day** activities on **February 7, 2024**. This will allow those of you visiting with your legislator(s) the opportunity to present them with a basket of Kentucky grown agricultural products to celebrate the safest most affordable food in the world.

The meeting will begin at 9:00 a.m. in the auditorium of the Kentucky Transportation Cabinet, located at 200 Mero Street, Frankfort, Kentucky.

We encourage you to contact your senator and representative in advance to let them know you will be in Frankfort that day and to set up a meeting with them to discuss issues affecting agriculture and to present them with a Food Check-Out Day basket.
