Legislative Report No. 5

2019 Kentucky General Assembly

Today marks the seventeenth legislative day of this 2019 session of the Kentucky General Assembly. The bill filing deadline has passed and there was a total of 393 Senate bills and resolutions and 665 House bills and resolutions.

We continue to meet with legislative leaders and the Governor's Office on rural economic development. We have also been reviewing the current [Kentucky Small Business Tax Credit Program](#) to ensure that agriculture and agribusinesses are eligible. We will provide details of the economic development legislation as they come available.

Some bills of interest:

[H.B. 311: M. Meredith – AN ACT relating to cultured animal meat.](#)

This bill would amend KRS 217.035 to include any food product that purports to be or is represented as meat or a meat product that contains any cultured animal tissue produced from in vitro animal cell cultures outside of the organism which it is derived. This bill passed the House Agriculture Committee on Wednesday and now heads to the full House for their consideration.

KFB Policy:

"We support legislation that would prohibit the misrepresentation of a product as meat that is not derived from harvested production of livestock, poultry or aquaculture."

[S.B. 153: P. Hornback – AN ACT relating to grain.](#)

This bill would modernize the Grain Insurance Fund. Under the proposed law, oversight of the fund would move from the Grain Insurance Board to the State Board of Agriculture. The new statute would also clarify that any participating grain producer in this state would be covered under the new law. This legislation would also

increase the membership of the State Board of Agriculture from 14 to 18 members and would change the entities eligible to nomination individuals to the board. This bill passed the full Senate on Tuesday by a vote of 34-0 and now heads to the House for their consideration.

2019 State Priority Issue:

"Support the modernization of the Grain Insurance Fund to adequately protect current and future Kentucky grain producers."

KFB Policy:

"We recommend that the State Board of Agriculture consist of commodity specific members and at least one member representing Farm Bureau."

H.B. 354: S. Rudy – AN ACT relating to taxation.

This bill would exempt the sales of admissions by nonprofit educational, charitable, religious institutions, and includes non-profit civic, governmental, or other non-profit organizations. It also exempts the first \$10,000 of sales in a calendar year made by these non-profit organizations. This bill passed the House on Thursday by a vote of 96-4. This bill now heads to the Senate for their consideration.

KFB Policy:

"We encourage sales tax not be imposed on nonprofit or charitable organizations."

H.B. 4: K. Upchurch – AN ACT relating to administrative regulations.

This bill would require an annual report on administrative regulations found deficient by a legislative committee. It would also make an emergency regulation expire after 240 days. This bill passed the House Licensing and Occupations and Administrative Regulation Committee on Wednesday and now heads to the full House for their consideration.

2019 State Priority Issue:

"Oppose any agency exceeding legislative intent in the implementation of regulations."

The below resolutions were adopted today:

S.R. 120: J. Higdon , D. Givens, P. Hornback, R. Girdler, S. Humphries – A RESOLUTION recognizing the upcoming one hundredth anniversary of Kentucky Farm Bureau.

H.R. 11: B. Reed, J. Graviss, K. Hinkle – A RESOLUTION recognizing the upcoming one hundredth anniversary of Kentucky Farm Bureau.

Special Election:

On March 5, 2019, there will be a special election to fill the vacant Senate District 31 seat. The candidates for this election are:

Darrell Pugh – D
Phillip Wheeler – R

Senate District 31 includes the counties of Elliot, Lawrence, Martin, Morgan, and Pike.
