## **Legislative Report No. 4**

### ***2015 Kentucky General Assembly***

Today marks the thirteenth day of this thirty day session. Today is the last day for new Senate bills to be introduced and next Tuesday, February 17 is the last day for new House bills to be introduced. To date there have been a total of 299 Senate bills and resolutions and 594 House bills and resolutions introduced.

The 2015 General Assembly will not meet on Monday, February 16 in observance of Presidents' Day.

#### **Some bills of interest:**

#### **[SB 29: E. Harris, J. Bowen - AN ACT relating to motor fuels taxes and declaring an emergency.](#)**

This bill would amend KRS 138.210(10) to set the minimum value for the average wholesale price of gasoline used for computation of the motor fuels tax at \$2.354 per gallon. If this bill passes it would raise the floor of the average wholesale price of gas from the current \$1.786. Raising the floor of the average wholesale price would help minimize the impact to road fund revenues.

#### **2015 KFB State Priority Issue**

*"Recommend sufficient funding be made available to maintain quality rural roads across the Commonwealth."*

#### **Action Request:**

If your Senator is a member of the Transportation Committee please call them and ask them to **SUPPORT SB 29**.

#### **[HB 289: A. Simpson, S. Santoro, D. St. Onge - AN ACT relating to the distribution of fuel tax revenues.](#)**

This bill would amend KRS 177.320, regarding allocation of a portion of fuel tax revenue to the rural secondary and county road aid funds, to change the revenue sharing formula to divide 48.2% of motor fuel tax revenues between incorporated and unincorporated areas based on population, road

mileage, and land area, it would also clarify that the share of the three splits allocated to incorporated areas shall be used by cities in accordance with Sections 3, 4, and 5 of the Act. Clarify that the share of the three splits allocated to unincorporated areas shall be used by counties, with 54.8% going to rural secondary roads and 45.2% used for county roads and it would amend KRS 177.360 to eliminate the formula of fifths for allocation of rural secondary and county road aid funds among the counties and instead allocate funds to counties based on population, road mileage and land area. This bill has been assigned to the House Appropriations and Revenue Committee.

**2015 KFB State Priority Issue**

*"Support the rural secondary and county road aid programs and continuation of the 22.2% allocation of the state gasoline tax revenue for rural roads."*

**SB 92: J. Bowen - AN ACT relating to timber harvesting.**

This bill would amend KRS 149.330 to change the definition of "person" to include any natural person or director, officer, or agent of a business organization and would require loggers or operators who have received bad actor designations to provide prior notice to the division before engaging in any timber harvesting operations until they have paid all civil penalties and performed all required site remediation. Require the cabinet to issue an emergency order requiring any third-time bad actor to cease all timber harvesting operations until all required site remediation has been performed and all civil penalties have been paid or a repayment plan has been established and maintained. This bill has been assigned to the Senate Natural Resources and Energy Committee.

**KFB Policy:**

*"We support the Forestry Best Management Practice Board in amending the Forest Conservation Act to strengthen the bad actor provisions."*

**HCR 56: L. Combs, C. Harris, C. Howard, J. Short**

This resolution would establish a Timber Theft and Trespass Reduction Task Force.

**KFB Policy:**

*"We encourage the Kentucky General Assembly to establish and fund a Forest Health Task Force, and make it a permanent part of state government. We request the task force publish its mission and submit a public annual report on the status of Kentucky's forest health."*

**HB 312: T. McKee, J. Short, M. King - AN ACT relating to stray equines and cattle.**

This bill would amend KRS 259.120 to establish posting requirements for stray equine and stray cattle and authorize county judges/executive to administer an oath to a taker-up of stray equine and stray cattle. Allow a taker-up to have stray equine gelded after a ten day holding period has expired and would reduce the taker-up's hold time of stray equine to ten

days for absolute ownership. Rep. Short filed House Floor Amendment 1, this amendment would increase the hold time from 10 days to 15 days.

**KFB Policy**

*"We support reducing the hold period for stray horses from the current 90 days down to 14 days."*

**HB 386: R. Adkins, J. Gooch Jr., R. Smart - AN ACT relating to oil and gas production and reclamation.**

This bill would require notice and method of notice of high-volume horizontal fracturing, require baseline water quality testing and exemption from requirements. This bill would also create the Kentucky Abandoned Storage Tank Reclamation Program and define when a tank is deemed abandoned and eligible for the program and specify the purpose of the program and create the Kentucky abandoned storage tank reclamation fund. This bill will also authorize the cabinet to recover costs for removal and remediation of an abandoned storage tank from owners or responsible parties.

**KFB Policy:**

*"The oil and gas industry should be held to the same standard regarding landowners as the coal industry, in that all oil and gas activities including roadways and pipelines should be permitted, bonded, and placed under the Energy and Environment Cabinet requiring quarterly inspections and enforcement for violations including civil penalties."*

Kentucky Farm Bureau, along with other Kentucky commodity organizations, will be celebrating the week of February 15–21 as Food Check-Out Week recognizing Kentucky agriculture. **Tuesday, February 17, 2015 has been designated as Food Check-Out Day** and both the House and Senate will pass a resolution honoring Kentucky farmers. In addition, Kentucky Farm Bureau and Kentucky commodity organizations will provide each member of the General Assembly with a basket of Kentucky-grown commodities.

**Special Election**

Please note there will be a Special Election held on **Tuesday, March 3, 2015** to fill the vacant 27th Senate District seat. This district includes Bourbon, Fleming, Harrison, Lewis, Mason, Nicholas, Robertson, and Rowan counties.
