

LEGISLATIVE REPORT

January 2, 2026

Legislative Report No. 1 **2026 Kentucky General Assembly**

The 2026 Session of the Kentucky General Assembly is set to begin Tuesday, January 6, and run through Wednesday, April 1. The General Assembly will then recess for a ten-day veto period, which is scheduled to begin on April 2, and the legislature is scheduled to adjourn sine die on Wednesday, April 15.

Most of the Legislative Reports you will receive throughout the upcoming session will give Farm Bureau's position on bills, along with an explanation of the bill and the policy to support our position. They may request that you contact your senator or representative regarding a particular issue. Contacting your member of the General Assembly is the key component of implementing our policy. These requests will be sent late in the week, and we hope that you will help us implement your policy by using it to contact your legislator when requested.

2026 LEGISLATIVE PROGRAM

The Kentucky Farm Bureau legislative priorities were approved by the State Board of Directors following our 106th Annual Meeting. Please acquaint yourself with the priorities listed below and keep them as a reference throughout the session. We hope you will find this helpful as you discuss various legislative matters with your representative and senator during the months ahead. Each member of the Kentucky General Assembly will receive a copy of our 2026 State Priority Issues.

2026 STATE PRIORITY ISSUES

AGRICULTURE PROGRAMS AND SERVICES

- Maintain allocating 50% of the Master Settlement Agreement funds to the Agricultural Development Board, and funds be spent for the purpose of improving the net farm income of individual farmers in production agriculture.
- Support continued funding of the Soil Erosion and Water Quality Cost-Share Program.
- Support an efficient, well-administered and adequately financed Kentucky Department of Agriculture.
- Support a low interest loan program administered through KOAP for active farmers to purchase farmland that will stay in production agriculture for a minimum of 10 years.

TAXATION

- Support maintaining the Kentucky selling farmer tax credit.
- Kentucky's tax code should be reformed based on sound economic principles to create a more competitive business climate.
- Strongly oppose freezing the state real property tax rate.
- Support the provisions of House Bill 44 (KRS 132.010). Revenue from property taxes should continue to be limited to 4% plus new growth. Proposals to exceed 4% should automatically go to the voters.
- Maintain Kentucky's sales tax exemptions for production agriculture.

HIGHWAYS, ROADS, AND BRIDGES

- Support the rural secondary and county road aid programs and continuation of the 22.2% allocation of the state gasoline tax revenue for rural roads.

ENERGY

- Support a decommissioning bond on all commercial solar projects. These bonds should be reviewed at least every three years.
- Support oversight of ownership and control for energy infrastructure.

RURAL DEVELOPMENT

- Support funding for the broadband deployment fund.
- Support efforts and incentives to improve and provide all telecommunications in rural Kentucky.
- Support efforts that will retain and attract new business and industry to rural areas of Kentucky with a priority on agricultural processing facilities.
- Support increased funding for Kentucky riverports to upgrade their agricultural infrastructure.

WILDLIFE MANAGEMENT

- Seek effective wildlife management that will reduce the wildlife population in an effort to alleviate continued crop and livestock losses, automobile accidents, human injuries, and loss of life.

REGULATORY AUTHORITY

- Oppose any agency exceeding legislative intent in the implementation of regulations.
- Oppose the power of eminent domain being used to take private property for private use.
- Support increased transparency and a premium payment for agricultural land that is taken through eminent domain.
- Support labeling legislation for agricultural inputs to ensure availability of products that have been approved by the EPA.

FORESTRY

- Support forestry initiatives that enhance the economy and create opportunities for woodland owners.

WHAT CAN YOUR COUNTY DO TO PREPARE FOR THIS LEGISLATIVE SESSION?

- (1) The month of January will be an excellent time to meet with your legislators and discuss priority issues. Then check each week's legislative reports to monitor progress and continue to communicate with your legislator as issues begin to move through the system.
- (2) Ask your county State Legislative Committee to develop a schedule of meetings to plan further action, as the need arises during the session. It is important that you maintain personal contact with your senator and representative as Farm Bureau's priority issues start to move through the legislative process. Several counties have weekly meeting times set up on Saturday mornings with their legislators.
- (3) Stay informed.... Know about the issues and Farm Bureau's position. It takes everyone's commitment for Farm Bureau to be successful!
