## FOOD CHECK-OUT WEEK®

## Food Check-Out Week

Food Check-Out Week is a national campaign led by the American Farm Bureau Federation commemorating America's healthy, nutritious, abundant, and affordable

food supply. Mercer County Farm Bureau will hold events to help heighten awareness of these aspects of our food supply and help bring thanks and recognition to the farmers.

Americans currently spend, on average, just over 10 percent of their disposable, personal income for food—THE LOWEST IN THE WORLD. Applying that statistic to the calendar year means the average household will have earned enough disposable income to pay for its annual food supply in about 7 weeks. In recognition of this, Kentucky Farm Bureau is celebrating February 18-24, 2018, as Food Check-Out Week.

## Winter Safety Tips

- Turn hot & cold water taps to a trickle during extreme cold temperatures
- Have your gas furnace or stove inspected by a licensed professional yearly
- To prevent fires, have your chimney cleaned for your wood stove/fireplace
