Legislative Report No. 4

2020 Kentucky General Assembly

Today marks the thirteenth legislative day of the 2020 Session of the Kentucky General Assembly. There have been a total of 199 Senate and 379 House bills and resolutions filed.

On Tuesday, January 28, Governor Beshear will present his budget for fiscal years 2021-2022 to a joint session of the General Assembly.

Some bills of interest:

[HB 273: R. Heath - AN ACT relating to the establishment of a tax credit to promote investments in Kentucky businesses.](#)

This bill would establish the growth fund tax credit and establish an application and approval process for investment in growth businesses by a growth fund and verification related to the new tax credit. This Act may be cited as the Kentucky Rural Jobs Act of 2020. This bill has been assigned to the House Appropriations and Revenue Committee.

2020 KFB State Priority Issue:

"Support efforts that will retain and attract new business and industry to rural areas of Kentucky."

[SB 5: R. Alvarado - AN ACT relating to special purpose governmental entities.](#)

This bill would require proposed increases in ad valorem taxes and certain fees and the levy of new ad valorem taxes or fees by special purpose governmental entities to be submitted to the legislative body of the county or city in which the special purpose governmental entity is located for review. This bill passed the Senate State and Local Government Committee and included the provision that would allow the legislative body of the county or city, the option to lower a proposed rate. This bill passed the Senate 28-10 and now heads to the House for their consideration.

KFB Policy:

"We recommend that only elected officials have the authority to increase or create new taxes. In addition, we strongly urge all entities with the ability to increase taxes to be accountable for the expenditures of tax dollars to the citizens."

"We support allowing fiscal courts the flexibility to lower a tax rate submitted by a special taxing district."

HB 308: R. Webber – AN ACT relating to the selling farmers tax credit.

This bill would add definitions of terms and incorporate statutory provisions included in the Cabinet for Economic Development's guidelines related to the farmer small business tax credit and would allow the farmer small business tax credit to be taken for income tax purposes. It would also permit the Department of Revenue to supply certain statistical data to the Interim Joint Committee on Appropriations and Revenue. This bill has been assigned to the House Appropriations and Revenue Committee.

SB 81: M. Castlen - AN ACT relating to milk marketing.

This bill would define "milk" and prohibit a food product labeled as milk unless it meets the definition of milk. This bill has been assigned to the Senate Agriculture Committee.

KFB Policy:

"We oppose inaccurate or misleading labeling of all dairy products."

HB 214: J. Tipton - AN ACT relating to the Veterinary Contract Spaces Program and making an appropriation therefor.

This bill would establish the Veterinary Contract Spaces Program and require the Kentucky Higher Education Authority to purchase enrollment spaces annually for Kentucky students at participating veterinary schools. This bill passed the House Agriculture Committee and now heads to the House for their consideration.

KFB Policy:

"We support additional funding to ensure that any veterinarian student vacancies offered by our affiliated colleges of veterinary medicine are filled with Kentucky students."

HB 19: B. Rowland - AN ACT relating to time.

This bill would adopt year-round daylight saving time in the state of Kentucky if authorized by the United States Congress. This bill has been assigned to the House State Government Committee.

KFB Policy:

"We recommend daylight saving time be retained year-round."

HB 301: J. DuPlessis - AN ACT relating to financial literacy.

This bill would require successful completion of a one-half credit course on financial literacy as a requirement for high school graduation. This bill has been assigned to the House Education Committee.

KFB Policy:

"We support financial literacy and Science, Technology, Engineering, Agriculture, Mathematics (STEAM) to be included in Kentucky school curriculum at all appropriate levels."

REMINDER:

This year we will again combine our **Legislative Drive-In Day** with our annual **Food Check-Out Day** activities on **February 5, 2020**. This will allow those of you visiting with your legislator(s) the opportunity to present them with a basket of Kentucky grown agricultural products to celebrate the safest most affordable food in the world.

The meeting will begin at 9:00 a.m. in the auditorium of the Kentucky Transportation Cabinet, located at 200 Mero Street, Frankfort, Kentucky.

We encourage you to contact your senator and representative in advance to let them know you will be in Frankfort that day and to set up a meeting with them to discuss issues affecting agriculture and to present them with a Food Check-Out Day basket.
