Legislative Report No. 9

2021 Kentucky General Assembly

The General Assembly adjourned last evening for the 10-day veto period. They are scheduled to return March 29 and 30 for the final two days of the 2021 Regular Session.

HB 320: B. Reed - AN ACT relating to the provision of broadband services, and making an appropriation therefor.

This bill will appropriate \$250 million to the broadband deployment fund. It will also create a new section of KRS Chapter 278 to allow a distribution cooperative to facilitate the operation of an affiliate engaged exclusively in the provision of broadband service to unserved or underserved households and businesses. Yesterday, this bill passed the Senate Appropriations and Revenue Committee with [Senate Committee Substitute 1](#) and the full Senate [36-0](#). Later in the evening, this bill also passed the House [94-0](#) and now heads to Governor Beshear for his consideration.

Action Alert:

Please contact your state senator and state representative and thank them for their support of HB 320.

2021 KFB State Priority Issues:

"Support funding for the broadband deployment fund."

"Support efforts and incentives to improve and provide all telecommunications in rural Kentucky."

"Support broadband and high speed internet service being available for the benefit of all Kentuckians."

On Monday, the General Assembly passed a one-year State Budget ([HB 192](#)). The Senate voted [30-0-6](#) and the House voted [74-23](#).
